

# TD-GZ8HS IP Video Intercom Master Station

Android OS

Video Call

Remote  
Unlocking

Monitoring

Elevator  
Calling

## Product Features

- Durable Material: Made from aluminum alloy, it ensures durability and longevity.
- High-Resolution Display: Features an 8" MIPI screen with a resolution of 1280x800 for clear and sharp video quality.
- Touch Screen Operation: Allows for intuitive and easy operation through its touch screen interface.
- Android OS: Runs on the Android operating system, providing a familiar and versatile platform for applications.
- Multiple Functions: Supports essential functions such as video calls, remote unlocking, monitoring, and elevator calling, enhancing security and convenience.

## Product Specifications

Appearance Size	220*190*65mm
Material	Aluminum alloy and ABS plastic
Screen	8" MIPI screen
Resolution	1280x800
Input Operation	touch screen
Audio Output	speaker
Audio Input	microphone
Power Consumption	< 8W
Working Voltage	12 ~ 15V
Working Temperature	-10°C ~ 70°C
OS	Android
Processor	1.6G main frequency
SDRAM	SIP 1GB 32bit LPDDR4

<b>Memory</b>	8G
<b>Communication Method</b>	wired network
<b>Functions</b>	video call, remote unlocking, monitoring, elevator calling
<b>Functional Interface</b>	1 * RJ45 interface: standard network cable 1 * USB interface: USB camera 1 * TF card interface: software upgrade 1 * power interface: DC12V power input (9~18V)
